THE KNOWLEDGE VINE MONTESSORI

# Your child's day, a tap away.

**iPhone / Safari** | Add Knowledge Vine Portal to your home screen.

**Before you start**
Use the school's welcome email to set your password, then sign in with the same email address. Setup links last 24 hours. You can also keep using the portal in your browser.

### 1 Open the school portal

Open the school's secure portal address in **Safari**. If your email app opens its own browser, open the address in Safari instead.

### 2 Add it to your home screen

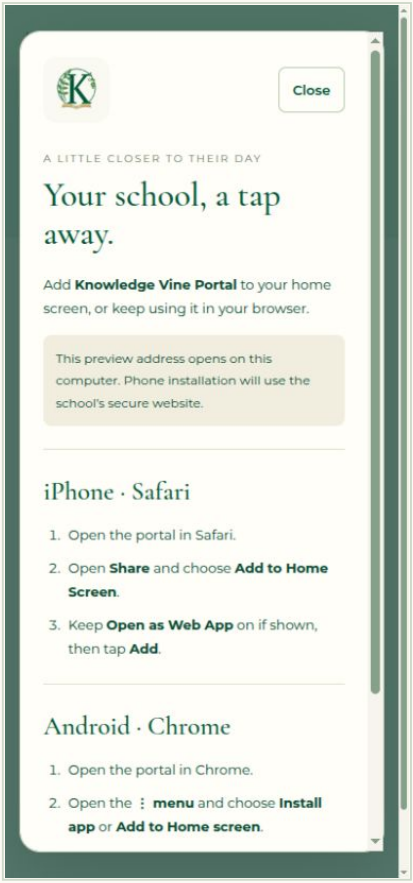

Open **Share** (it may be inside Safari's page menu). Scroll to **Add to Home Screen**. If missing, look under **Edit Actions**.

### 3 Keep the app option on

Keep **Open as Web App** on if shown, then tap **Add**.

### 4 Open your new icon

Tap **Knowledge Vine Portal** on your home screen. Sign in if asked, then choose your child to read shared updates.

Actual portal help at phone width.
This is a desktop browser capture.
Native phone captures are pending.

**A few useful things to know**
An internet connection is needed to read notes and save changes. Sessions end after 30 minutes of inactivity. Sign out on shared devices. Installing the app does not switch on push notifications.
